WHY WANGARI?

Every time you dispose of an old gadget, you're not just throwing away a piece of technology; you're discarding a piece of our planet's future.

E-waste is a silent, growing crisis, polluting our environment, depleting our resources, and endangering our health.

DESK SPECIAL CHARGING SERIES

WILLOW AURA

Cup Warmer with Wireless Charger & Lamp

Wangari Willow Aura Cup Warmer with Wireless Charger & Lamp is a stylish 3-in-1 desk accessory designed to keep your beverage warm while wirelessly charging your smartphone. Its integrated ambient lamp adds a warm and elegant touch to your workspace.

GROVE

PhotoFrame with Wireless Charger Mobile Holder

Wangari Grove Photo Frame with Wireless Charger & Mobile Holder is a stylish, multifunctional desk accessory made with a natural bamboo design. It combines a photo frame, mobile holder, and wireless charging functionality, making it ideal for home, office, and gifting.

Alder 2.0

Planter with Mobile Holder

Alder 2.0 combines a cup warmer, ambient lamp, and built-in plant pocket with a biodegradable pot in one stylish design. Perfect for modern workspaces, it adds convenience, greenery, and warmth while making a thoughtful and sustainable gifting choice.

Planter with Mobile Holder

ELM Planter with Mobile Holder is a stylish and sustainable desk accessory made from PLA (Polylactic Acid). Combining a planter, mobile holder, and stationery holder, it makes a thoughtful and practical corporate gifting choice for modern workspaces.

STREAK

Wireless Charger

Streak combines wireless charging and desk organization in one sleek, sustainable design. Made from PLA (Eco friendly), it keeps your workspace powered and clutter-free, making it a smart and thoughtful gift for employees and customers.

ECOTOSS

Decision Dice With 15W Wireless Charger

The Decision Dice with 15W Wireless Charging is an eco-friendly bamboo charger that offers 15W wireless charging, USB-A & Type-C outputs, and a playful pair of decision dice. A unique and practical gifting choice for customers and employees.

CYPRESS 2.0

**4 in 1 Wireless Charger with Clock,
Speaker & Lamp**

A premium multifunctional desk essential crafted from eco-friendly bamboo. It combines wireless charging, a digital clock, RGB lamp, and Bluetooth speakers in one elegant design — perfect for modern workspaces and gifting.

ALDER

Wireless Charger with a Touch of Green

Alder blends technology with nature, adding beauty & freshness to your workspace. This 15W wireless charger features a built-in pocket to house a plant, paired with a bio-degradable pot for a modern, eco-conscious touch. Smart, stylish, and refreshingly different — Alder keeps you charged and inspired.

CYPRESS
